NOTES FOR REFEREES

A student has named you as a referee in support of their application for a Summer Research Scholarship at ANU. To assist the selection committees in considering the application we would like to have your views on the student’s suitability for a scholarship. The committees are particularly interested in your opinion of the qualifications, experience and, where appropriate, research ability or promise of the student.

The information is received by the University on a confidential basis and on the clear understanding that the University will do everything in its power to respect and maintain that confidence. The information will be disclosed only to those immediately involved in the selection process.

When completed, please send this questionnaire to rsaa.sa@anu.edu.au by 15 September 2019.

Please note that the student’s application cannot be assessed if the referee’s questionnaire is not received by the University by the application deadline 31 August 2019 (now extended to 15th September 2019)

Your assistance is greatly appreciated.
